## KI NOU ENVI FER!

// OUR PROJECT //

### ELEVEN is a concept exclusively brought to you by KABANN.

Launched in February of 2018, the ELEVEN was initially created to be a platform promoting the local music scene as well as for artists and music lovers to spend a musically authentic, privileged and intimate moment in unique locations and settings.

The togetherness and bond our people share is actually the essence which fuels each and every of our events.

#### Kifer ELEVEN?

From live music to a DJ, including an array of bars to promote both local food and beverages as well as an all-time lovely ambience, ELEVEN is a private, eco and family-friendly event which takes place every "11" of the month, hence the name.

Our goal in setting this beautiful idea up was to give the chance to so many unrecognized talented artists, artisans and local businesses to be properly acknowledged for who they are and their contributions to the world of art. And that is what we achieve by giving them a platform and, therefore, an opportunity to do just that.

## DEKOUVER ELEVEN

// DISCOVER ELEVEN //

### Ena Nou Leker Ladan!

We consistently and continuously keep coming back every 11<sup>th</sup> of every month with a new concept for each of our events!

It all comes from the heart. We do what we love every day and it consists of working hand in hand to put a smile wherever we can - call it our brand if you wish. As our organizing such a gig every month can prove to be very demanding and the challenges we sometimes face seem impossible to overcome. But with the right people, mindset and attitude we have now happily reached the 3<sup>rd</sup> birthday edition of ELEVEN, which we are currently preparing, as we speak.

### Ki Nou Sekre?

6 years of hardwork and building a consequent database of clients and relationships, this is how the ELEVEN became what it is today. Our clientele is quite unique as it is mainly composed of a diversified array of people who mainly come to our events because they already know what to expect; a good time in the good company of each and every one. They know that if KABANN is behind an event or any concepts, the latter will prove to be a total and utter success from the beginning to the end.

However, what makes you extra special, is our team and the people we collaborate with. We make sure that each and every person who is on-board are passionate and, therefore, portrays the same energy and drive in each of our ELEVENs.

Our ELEVENs are, combined together, a journey of trust, relationships, devotion and happiness initially build from the heart for the people from people.

### Ki Nou Nou Ena De Spesyal?

Everything is thoroughly taken care of in a very detailed manner as such that every time our guests come, they feel privileged to be here. While working towards making people dream, we also make sure to keep our events eco-friendly as we deeply care about the environment and thus try to promote it during each of our ELEVENs.

From the venue to the culinary experience we make sure that you go back home rejuvenated and happy. ELEVEN is our way of letting our creativity go wild and have fun all at the same time.

### Ki Nou Kapav Fer Ensam?

Besides music, we love creating memories with our people: THE PEOPLE OF ELEVEN! Currently growing at a very fast pace, we have been very proud to have achieved so much in such a short time; 29 ELEVENs, counting a concert to celebrate "NOU 1 AN"!

We are now looking forward to collaborate with you as we want to expand our horizons locally but most importantly at an international level. A long-term partnership which would give us the opportunity to develop more projects, ideas, events and concepts as well as expand our monthly events, the ELEVENs, with our birthday being celebrated every 11<sup>th</sup> of March together with Mauritius' Independence Day.
